

Work Health Safety Policy Statement

Arborman Tree Solutions is committed in providing a safe and healthy work environment for employees, contractors, clients and the general public through the following objectives.

OBJECTIVES

- Provide safe plant and systems of work
- Communication
- Written procedures and instructions
- Ensuring compliance with legislative requirements and current industry standards
- Provide information, instruction, training and supervision to employees, contractors and customers to ensure their safety
- Provide support and assistance to employees.

RESPONSIBILITIES

All employees and contractors are accountable for implementing this policy in their area of responsibility at all location that they work. This will be measured via inspections and audits.

Management is responsible for:

- The provision and maintenance of the workplace in a safe condition
- Involvement in the development, promotion and implementation of health and safety policies and procedures
- Training employees in the safe performance of their assigned tasks
- The provision of resources to meet the health and safety commitment

Employees and contractors are responsible for safety and must:

- Take appropriate action, be proactive and intervene where unsafe practices are observed
- Follow all health and safety policies and procedures
- Report all known or observed hazards to their immediate supervisor or manager
